PI-1000 Series Argox software Skywalker to design programs

Question:
Can I have your assistance regarding Argox PI-1000 program on Skywalker
Will it be possible to create a program following attached parameter?

If yes, How will I store scanned barcodes, and if being opened will details
be editable?

Model Applies to:
PI-1000 Series

Answer:
Skywalker is design for PI series IDE(Integrated Development Environment)
software. User can set setting without learning any basic language to create a
customized application for PI series.

Please download the software here: http://www.argox.com/product/pi-1000/
And also refer to attached Skywalker & PI-1000 Series user's manual for
reference.
